# HOUSING

Mercy Rising will provide both non-congregate shelter (NCS) and permanent supportive housing (PSH) to eligible residents in Shelby County, Ohio.

Eligible resident requirements:

- NCS & PSH - Currently homeless or in a homeless shelter
- NCS - Referred by MMH and waiting on a social security disability income determination
- PSH - Referred by MMH or another shelter or program and must be receiving SSI or SSDI

Currently, there is no NCS or PSH in Shelby County. There is a gap in services and the need is growing.

# SUPPORT

Mercy Rising will have supportive services including transportation to community meals, medication maintenance, connections to mental health counseling, on-site groups and more.

# COMMUNITY

Previously chronically homeless individuals are more successful when placed in a community setting with supports. \*
